CLEVELAND HARDCORE COLORING BOOK

CLEVELAND HARDCORE COLORING BOOK
Limited to 100 pages. July 2026.

COMING SOON:

NEIGHBOR is a new project documenting the Cleveland Hardcore Scene - as it was and what it has become. The name originates from an in-joke that began in 2014, when Integrity reformed with the Melnicks, Konopka, and Chris Smith to play some Baltimore fest. Rob Orr asked Dwid who I was and Dwid replied, "That's just Aaron's neighbor."

I maintain a few things online, even though computers are NOT punk. Or maybe the rule book was updated?
I keep updating lbphardcorehistory.wordpress.com with photos and paperwork from the scene.
The Love Bunni Press Archive. This as digital copies of all the zines going back to 1989's No Exit. https://lovebunnipress.com/zinearchive.html and on the Internet Archive under Love Bunni Press.

More of everything can be gotten at lovebunnipress.bigcartel.com
